

**PRIPREMA ZA  
POLAZAK U  
PRVI RAZRED**

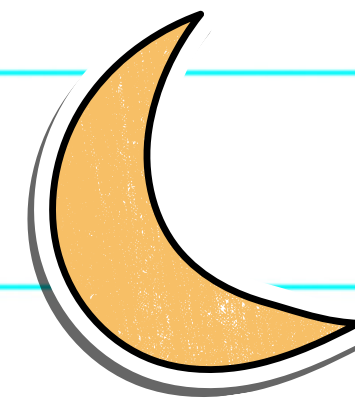

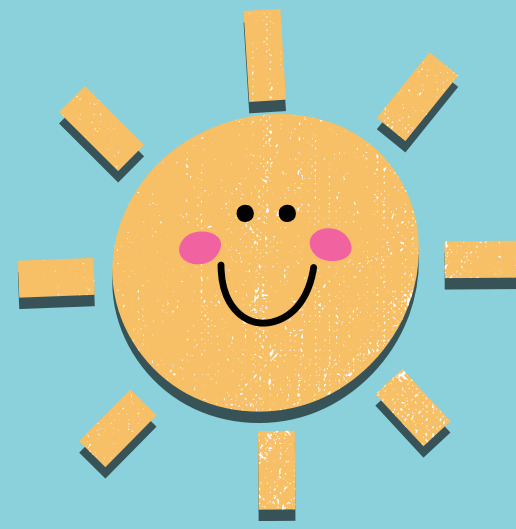

**Dream**

**Polazak u prvi razred veliki je trenutak u životu cijele obitelji, a osobito za dijete koje se susreće s novim pravilima ponašanja, novim licima, prostorom..**

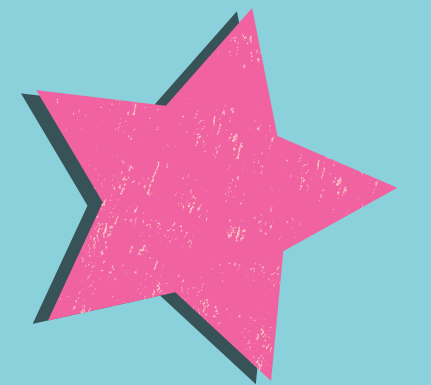

**Evo nekoliko savjeta kako se obitelj prvašića može pripremiti za tu promjenu:**

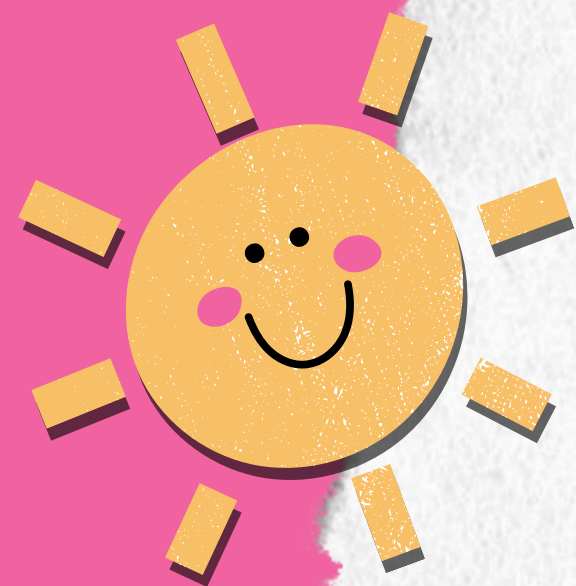

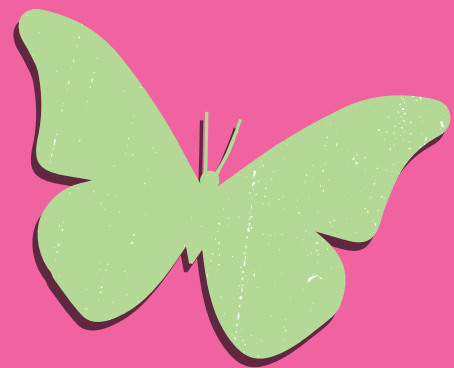

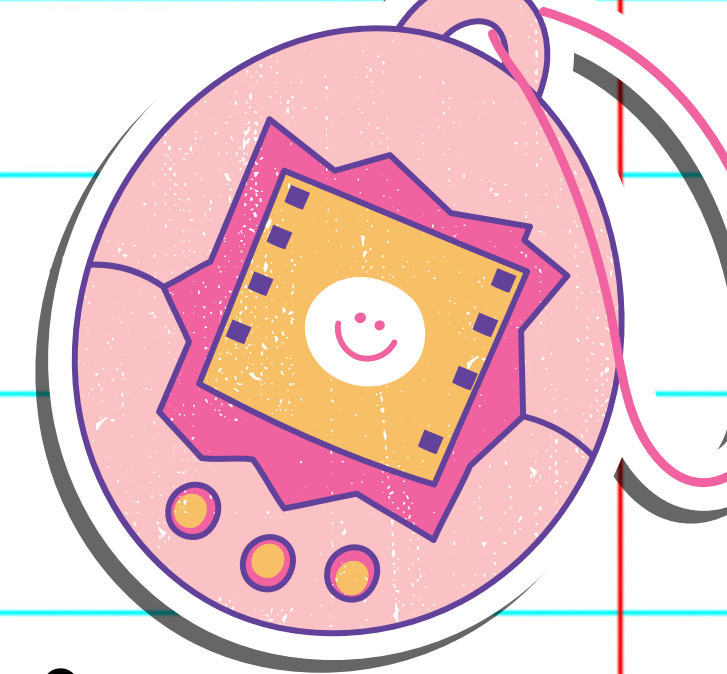

**SUPER**

**Postupno se vraćajte u rutinu spavanja i obroka koji odgovaraju školskom rasporedu.**

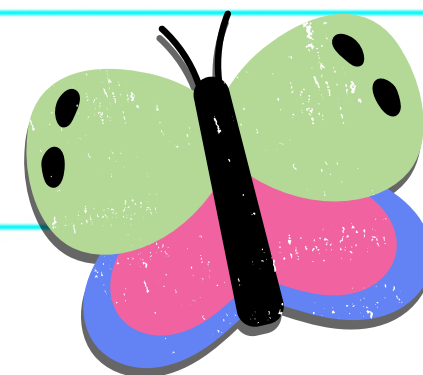

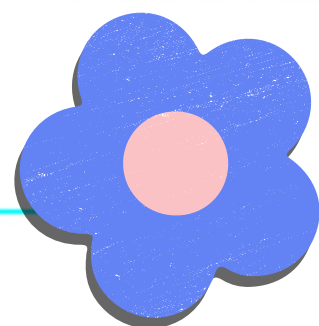

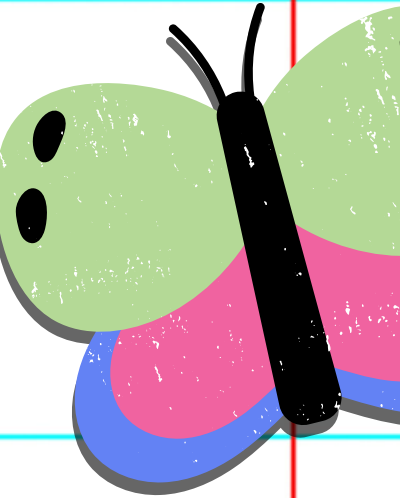

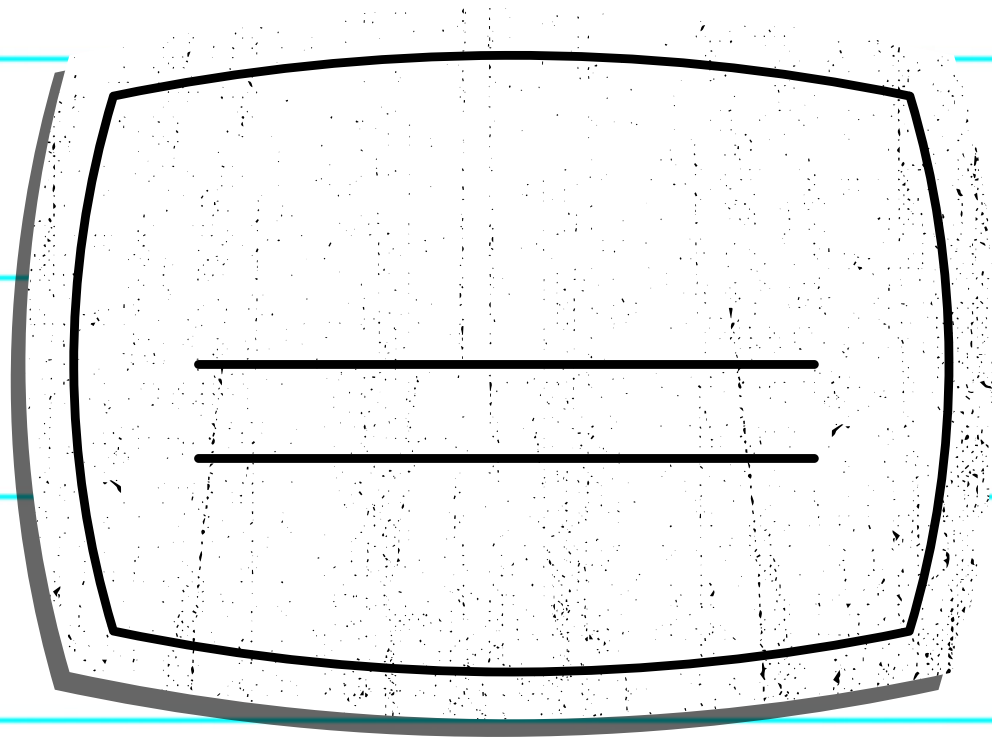

**Prošetajte s  
djetetom do škole  
nekoliko dana  
prije polaska u  
školu.**

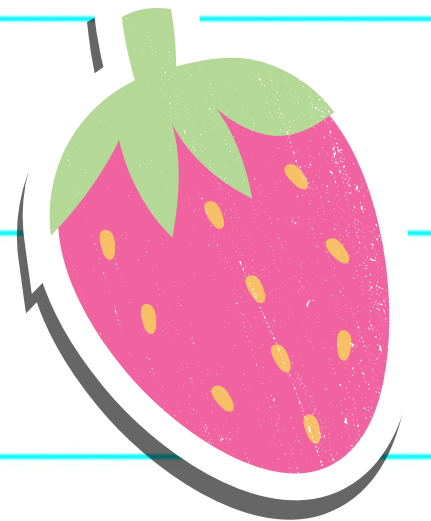

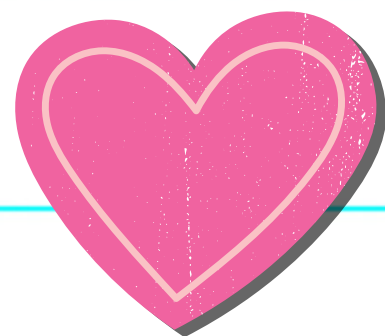

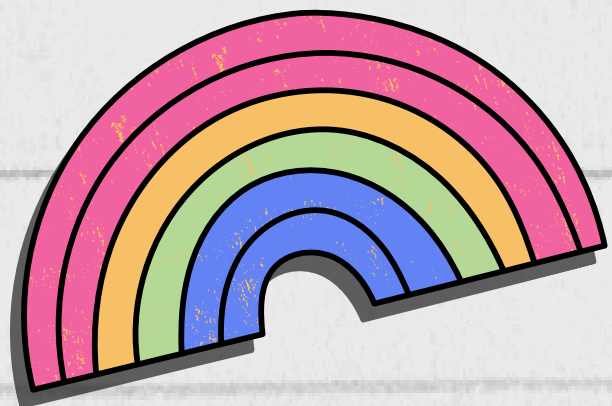

**Neka dijete sudjeluje u nabavci  
pribora za školu, nastojte  
stvoriti ugodnu atmosferu.**

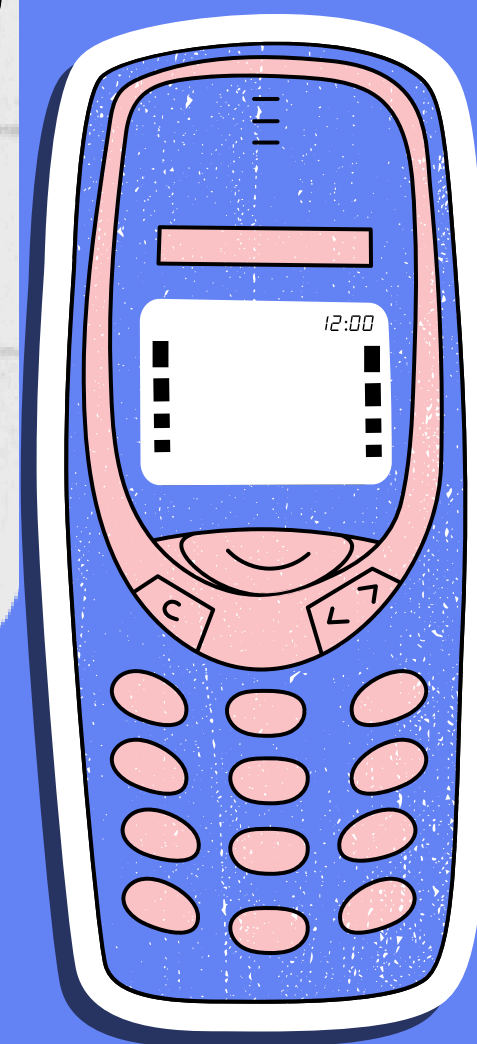

**Zajedno napišite ime  
djeteta na bilježnice,  
osmislite s djetetom  
radni prostor.**

**Radi vizualnog podsjetnika,  
odbrojavajte na kalendaru  
koliko je dana preostalo do  
polaska u školu. Neka  
dijete samo precrtava dane  
na kalendaru.**

**Imajte strpljenja za prilagodbu  
djeteta na nove uvjete.**

**Očekivanja i zahtjevi školske  
sredine mogu za dijete  
predstavljati stresnu situaciju i  
potrebno je određeno vrijeme  
kako bi se priviknulo.**
